***No fee is required for tree removal.***

Note: **As per ARTICLE VII, Section 16 of CC&R/Rules and Regulations:**

*“No standing tree in excess of 6” (six inches) in diameter at the stump (measured 24 inches from the ground) may be removed from any property within Wild River without advance written notice from the ARC. Any violation of this provision may result in WROA (a) Seeking a court order to have the offending person replace such tree with a tree of the approximate same size and reimburse WROA for the cost of obtaining such court order and/or (b) Imposing a fine of up to \$10,000.”*

Please attach a separate page and identify the location on the lot for which tree removal is requested. Exact lot measurements are not necessary.

Please mark the tree(s) to be removed with tape, ribbon, or other identifying material for ARC inspection.

Written approval or denial from the ARC will be sent to owners within 30 days of the date of receipt of this application.

Applicant agrees to review and comply with all fire restrictions issued by proclamation of the State of Oregon Department of Forestry found at [www.oregon.gov/firerestrictions](http://www.oregon.gov/firerestrictions) applicable to the Wild River neighborhood. Failure to follow fire restrictions issued by the Oregon Department of Forestry is a Class C violation subject to a \$250 fine per occurrence.
